

Join the Lehigh Valley's Talk, Read, Sing Campaign

Help us spread the message about how **talking, reading and singing** with children ages 0-5 helps them get ready for school. Join us as we build connections with the places in our community our families trust most – childcare centers, grocery stores, salons, libraries, laundromats and more.

If you are interested in becoming a Talk, Read, Sing Ambassador, please contact Akshara at 610-807-5742 or aksharav@unitedwayglv.org. Time commitment is 2-4 hours a month. Volunteers must have their own transportation.
